

We are looking for an experienced on site liner installation engineer to join our Team. Works will include indoor and outdoor pools as well as works within our factory working on our Tanqua pools.

As growing company, you will get opportunities to develop into other roles within the business if you so desire. Every 12 months in December we aim to give out yearly bonuses and pay rises to all staff (performance dependant).

Overtime is paid during the week & Weekend overtime is always available. You will given a company vehicle and fuel card. 20 days holiday plus bank holidays. After 3 years' service you gain 1 day per year for 5 years to receive a maximum of 25 days holiday.

This is an excellent chance to join a professional well-established company within the wet leisure industry. Candidates must have previous experience installing on site liners.
